EM TELANGANA STATE CONFERENCE 2025

**“Systemic Storms:
Managing Multiple - Organ
Crisis in Emergency Medicine”**

**05th & 06th (Saturday & Sunday)
July, 2025**

**Indira Auditorium,
Kamineni Hospitals, LB Nagar**

**4 Credits Points Applied
2 Conference | 2 Workshop**

**KAMINENI ACADEMY OF MEDICAL SCIENCES AND
RESEARCH CENTRE (KAMSRC)**

LB Nagar, Hyderabad - 500 068, TS, India. | Ph.: 040 - 3987 9999

**Organizing by
Department of Emergency Medicine**

Overview:

Systemic Storms : Managing Multi-organ Crisis in Emergency Medicine

Welcome to EM- Telangana State conference 2025 conference, themed “Systemic Storms : Managing Multiple-organ crisis in Emergency Medicine.”

It’s a privilege to conduct this year’s conference under EMA Telangana Chapter. Multi-Organ Dysfunction Syndrome remains one of the most complex syndromes in critical care, multifactorial in cause, systemic in impact, and deeply interwoven with advances in pathophysiology, diagnostics, and acute care protocols. This gathering brings together diverse academic and clinical perspectives, recognising that only through interdisciplinary collaboration can we deepen our understanding and improve patient outcomes.

We look forward to rigorous discussion, novel insights, and meaningful exchange. Let’s use this time to share, challenge, and build new pathways forward together.

Thank you, and we invite you all to engage deeply in what promises to be a thought-provoking agenda.

DAY 1

Navigating the Complexity of Multi Organ Emergencies

Didactic Lectures on major disorders which lead to multi-organ failures and systematic problem based approach of those in Emergency Room.

DAY 2

Hemodynamic monitoring in ER Hands on Workshop

To take you a journey of evaluation of shock in Emergency Room and basic nuances to be know when treating a circulatory shock patient.

REGISTRATION DETAILS

Conference Registration & More Details Call:

Dr. Sringala Devijan: 99896 48537
Associate Professor, Emergency Medicine

Dr. Pailla Naveen Reddy: 97031 41121
Associate Professor, Emergency Medicine

PROGRAMME SCHEDULE

DAY - 1

Time	Topic	Speaker	Guide	Moderators
08:00-8:30am	Registrations			
08:30-9:00am	Pancreatitis	Dr. Pratap EM Resident	Dr. Sumeet Sr. Consultant EM	Dr. V Maruthi Rama Krishna Rao Asso.Prof EM Dr. G Arun Head and Sr. Consultant EM
09:00-09:30am	Post cardiac Arrest Syndrome	Dr. Vinay EM Resident	Dr. Ravi N Asst. Prof EM	Dr. Vishwesh Avadhani Sr. Consultant Critical Care Dr. Chaitanya Jakkam Sr. Consultant Critical Care
09:30-10:00am	How Emergency Medicine creating an impact on patients outcome? A talk by Dr. P V Sai Sathyanarayana HOD and Prof Emergency Medicine			
10:00-10:15 AM	INAUGURATION			
10:15-10:30am	TEA BREAK			
10:30-11:00am	Sepsis in Immunocompromised presenting to ER Panel discussionof Multi-departmental interaction		Dr. Pratik Y Patil Consultant Infectious Disease Dr. Lakshmi Vemu Prof. Microbiology Dr. Kaladhar. S Sr. Consultant Critical Care Medicine	
11:00-11:30am	Thyroid storm	Dr. Pruthvi EM Resident	Dr. T Akhila Sai Jr. Consultant	Dr. Ratna Kumar N Head and Sr. Consultant EM Dr. Sandeep Sr. Consultant Endocrinology
11:30-12:00pm	Trauma	Dr. David Raju EM Resident	Dr. Rahul Rohan Ast.Prof EM	Dr. Suneel Kumar G HOD & Prof Emergency Medicine Dr. A Krishna Choudary Sr. Consultant Gen.Surgery
12:00-12:30pm	Organ support systems	Dr. K Venkata Ramana Asst.Prof EM and Consultatnt Critical Care Medicine		
12:30-01:10pm	Road Ahead to EM physicians	Dr. Naveen Reddy Asst.Prof EM		
01:10-02:00 PM	LUNCH			
02:00-02:30 pm	Toxin MODS	Dr. Sai Preethi Sr. EM Resident	Dr. P Naveen Reddy Asst.Prof EM	Dr. V Anjani Priya Ast. Prof EM Dr. B Saikanth Kumar Sr. Consultant Nephrology
02:30-03:00 pm	Hyperthermia	Dr. Sarika M S EM Resident	Dr. Vignan Kappagantu Sr.Consultant EM	Dr. S Raghavendra Goud Sr. Consultant EM Dr. Maram Sridhar HOD Emergency Medicine
03:00-03:30pm	Tumour Lysis Syndrome	Dr. Gaythri EM Resident	Dr. T Pradhan Kumar Asst.Prof EM	Dr. Ch Santhosh Head -EM Academics Dr. Jayathi. S Sr. Consultant Medical Oncology
03:30-04:00	QUIZ RESULTS AND PRICE DISTRIBUTION			
04:00-04:15 pm	HI TEA AND SNACKS			
04:15-04:30pm	CLOSING STATEMENT			

EM Telangana State Conference 2025 : Day 2

Hemodynamic Monitoring: Hands on Workshop Each station is for 60 min each

Stations	Topic	Faculty
Station 1	Arterial Line and Interpretation	Dr. Anjani / Dr. Chaitanya
Station 2	Invasive lines for resus	Dr. Naveen Reddy/ Dr Vishwesh
Station 3	POCUS for Shock	Dr. Devijan/ Dr. Lukman
Station 4	2D ECHO (Basics)	Dr. Ramana/ Dr,Akhila

*Registrations are limited to 40 Candidates
